

our track record

We're known for renovating homes

We began as the full-service staging company that grew quickly. Thanks to a large, loyal referral base of realtors, and home sellers who take us to their new home. With over 800 homes under our belt, 'the love or list' experience offers renovation benefits – often hard to come by.

Accustomed to tight timelines

Stay-on-budget sensibilities

Where to spend/save strategies

Quality work to pass inspection rigour

Experienced, diverse contractor teams

Volumes to deal directly with distributors

stage to sell

We adapt staging strategies to current market conditions. Our #1 goal: maximize your on-line list photo appeal to drive buyers to your home. As the strategic partner to real estate brokerages, we're very experienced in which staging investments deliver the greatest net return.

Full-service: upgrading & staging to sell

Know which materials have highest buyer appeal

Team of trades, service providers at our fingertips

Avoid furniture rental costs if possible

Use accent pieces to showcase your home

Offer stage consults, staging-on-the-spot
